What am I searching?

Melvyl provides information about articles, books, journals and other materials held by UCLA, other University of California (UC) campuses, and libraries worldwide. This search is limited to University of California Libraries, but can be changed via a pulldown search limit on the results screen. Many records contain links to full-text articles from [selected databases](#).

## Highlights

**"Sunshine Musings" talk by Peter Plagens October 4**

Through images of his own work, personal snapshots, and other people's art, Plagens will trace his journey as a painter, educator, art critic, and writer.

**October 7 for "A Lyrical Map of the Concept of Los Angeles"**  
The UCLA Library celebrates artist J. Michael Walker and dedicates his twenty-three-foot-long illustrated literary map of Los Angeles.
